

What's In a Name?

Directions: You will create a unique and special "Name Plaque" on which you will explore your multi-dimensional name.

STEP ONE:

Decide if your "What's In a Name?" Name Plaque is something you would best create on paper or if you are best inspired to design it online.

STEP TWO:

Ingredients of your "What's In a Name?" Name Plaque -

- your favorite photograph of yourself
- your favorite quotation
- any information about what your name might mean
- a collection of symbols*** that represent who you are and your passions
 - ▶ a symbol to represent a talent or skill
 - ▶ a symbol to represent "your people" - family and friends
 - ▶ a symbol to represent a dream or goal
 - ▶ a symbol to represent a hobby or passion
 - ▶ a symbol to represent the place you love the most and/or the place that gives you the most peace
 - ▶ other symbols that you feel reflect you and/or the meaning of your name
- any special art supplies you might need or a love of computer generated collages
- a desire to relax and be creative

STEP THREE:

Be prepared to create a symbolic representation of your name which must include the following -

1. your name, uniquely designed in a way that reflects your personality and style
2. your favorite photograph
3. your favorite quotation
4. any information about what your name might mean and/or why you were called by this name
5. a collection of the visual symbols that best represents you and your passions -

***these can be drawn, added as a collage of cut out pictures from magazines, glued if you use actual small objects or created digitally on the computer

You may want to pre-sketch your ideas first.

BRAINSTORM (I will share samples next week):
